

# RESCUE LAWN DRAIN

**Efficiently channel water away from foundations with shatter-resistant, versatile drainage solution for exterior projects**

- ▶ Shatter-resistant design redirects water from foundations
- ▶ Versatile fittings adapt to 3" or 4" thin wall drainpipes
- ▶ Ideal for sump pump discharge, downspout extensions, and dry well integration

*Product # RDLAWN*

Rescue Lawn Drain: An ultra-durable solution for directing drainage away from foundations. With its shatter-resistant design and unique oval-shaped pipe inlet, it fits seamlessly into 3" or 4" thin-wall drainpipes. Ideal for sump pump discharge and downspout extensions, it eliminates the need for pop-up drains and can be used with dry wells. Perfect for exterior drainage projects, ensuring long-lasting reliability.

### RESCUE CHECK VALVE QUICK

Pre-assembled discharge pipe for quick, cost-saving solutions

Product #RDCheck

### FOUNDATION RESCUE WIFI MODULE BY GLENTRONICS

Receive pump maintenance alerts via email/text with our innovative Wi-Fi module, ensuring seamless monitoring with no monthly fee.

Product #PS-WIFI
